-1 Exams will begin at 9:00 AM for levels (2nd, 3rd, and 4th) for both morning and evening studies.

-2 All students must bring the necessary stationery, computer, and student ID to take the exam.

-3 Arrive at the examination hall a quarter of an hour before the start time of the exam.

-4 The use of programmed computers is prohibited.

-5 The examination instructions must be followed and attempts at cheating must be avoided, as the examination instructions state that (if the student is found to have cheated in the daily, monthly or final examinations, he will be considered to have failed for that year, and if the attempt is repeated, the student's registration will be cancelled).

-6 The student must wear the official uniform; otherwise, the student will bear all legal consequences.

-7 All students must prepare to come to the college early on exam days to avoid being late, especially those living on the outskirts of Kirkuk city.
